Sponge Cake in an Orange Shopping and Packing Aid

Number of campers having sponge cake: _____

Number of people this recipe will serve: ??

How many times do we need to make this recipe to serve everyone? _____ =

Budget for this meal: \$2.50 * _____ = \$ _____

Item	Recipe amount	Multiplier	Amount needed	Cost
 Oranges	1			
 All-purpose flour	2 dl			
Vanilla sugar or essence	1 tsp 1/2 tsp			
Sugar	1 dl			
Baking powder	1 1/2 tsp			
  Milk, plant or cow 	1 dl			
 Butter, plant or dairy 	50 g			

Gear needed at campsite:

- Whisk
- Aluminum foil (optional)
- Bowl
- Toothpicks
- Metal cup

 Dairy products need to be kept below 40°F in order to not go bad. Plant milk and butter don't go bad as quickly, but can't be kept at room temperature forever. Put dairy products back into the cooler quickly, and remember to put plant dairy back in when you're done.
